

Antoinette M. Janecki

SOHO, NY (212) 925-4742 - Greenport Studio by appt. (631) 804-2685

"Surf at Montauk"

This Soho artist captures on paper & canvas the best of her two worlds - NYC where she lives and the waters off Greenport where she sails her boat. Antoinette is known for her dramatic marine landscapes and vivid citiscapes. Inspired by the Impressionists, she prefers to paint "en plein air" and often works in a series.

Her paintings have been in national exhibitions, galleries in New York City & Long Island, and are featured on pastelartist.com.

The New York Times, March 3, 2002, Art Reviews/Helen A. Harrison: "Brilliant color is also a hallmark of Antoinette Janecki's small pastel "Surf at Montauk" in which sea and sky are equally animated."
